The second secon

he could not really implies why the RIS would elect to do things in this manner, although it was conveyable they would feel that TIEBEL could handle UJDROWSY and UJDROW more securely in view of TIEBEL's relative isolation. FIRSHING said that on this score, one point was worth noting !! namely that TIEBEL is extremely intelligent and shrewd, is far brighter than UJDROW, and is at least on a par with UJDROWSY in terms of native intelligence, adphistication, etc.
